Brown named PERS Employee of the Quarter

Renee Brown has been named Employee of the Quarter for the Public Employees' Retirement System of Mississippi (PERS) by the Board of Trustees for the fourth quarter of fiscal year 2019, which runs April through June.

An employee of PERS since January 2017, Brown, of Brandon, works as a benefit analyst in the Service Retirement Division. Not only does she learn from every case she processes, she has developed a highly successful method of auditing PERS accounts that is currently being taught to newer employees and provides guidance for senior staff, as well. She excels in expedited processing and providing assistance when caseloads build. Furthermore, she provides training on how to process unusual cases.

Brown earned a bachelor of science degree from the University of Southern Mississippi, where she majored in child and family studies and minored in sex education.
